## BUSINESS MANAGEMENT & ANALYSIS

Detail-oriented and analytical-minded Aspiring Data Analyst with hands-on experience in Excel, SQL, Python, Tableau and Power BI. Strong foundation in data cleaning, analysis, and dashboard creation. Certified in Data Analytics and currently pursuing a B.Sc. in Computer Science. Adept at transforming raw data into meaningful business insights through storytelling and visualization. Passionate about solving problems using data and eager to contribute to data-driven decision-making in a dynamic organization.

---

## KEY COMPETENCIES

- Analytical Thinking
  - Attention to Detail
  - Excel: Formulas, Pivot Tables, Charts
  - Problem Solving
  - Quick Learning
  - SQL: Joins, Aggregations, Filtering
  - Communication
  - Team Collaboration
  - Python: Pandas, NumPy, Matplotlib
- 

## PROFESSIONAL EXPERIENCE :

### Project: E-Commerce Product Analysis

Jun 2025 - Present

- Tools Used:** SQL, Python (Pandas), Power BI
  - Description:**
    - Analyzed sales, pricing trends, and customer behavior from a large e-commerce dataset to uncover key performance insights.
  - Key Bullet Points:**
    - Cleaned and pre-processed raw product and transaction data using Python (Pandas)
    - Created SQL queries to extract KPIs such as sales by category, abandoned carts, and customer lifetime value
    - Built interactive Power BI dashboards with product-wise revenue, average order value, and seasonal trends
    - Identified high-performing vs. underperforming product categories and provided actionable insights
    - Reduced data retrieval time by optimizing SQL queries with indexing and filtering
    - Presented findings in a visually compelling format to simulate real-world stakeholder reporting
- 

## EDUCATION :

### Bachelor of Science in Computer Science

[Satavahana University], [Rajanna Siricila]

2021– Present (Pursuing)

- Studying programming, databases, and data structures
- Developed interest in data analytics through coursework and self-learning

## CERTIFICATIONS :

### Data Analytics Course – Simple Learn | SkillsUp

Completed in 2025

- Learned Excel, SQL, Python, Power BI, Tableau
- Worked on real-world datasets: cleaning, visualization, reporting

## LANGUAGES :

- English – Conversational
- Telugu – Native
- Hindi – Fluent
